A Report on Diwali Celebration 31 October, 2021 Venue; College campus

Report date; 1st November, 2021

Saraswati Vidya Mandir Law College hosts 'Deepavali Celebration - Feast of Lights' on 31st October, 2021

Deepawali is organized by Extra-curricular activity committee. Convener of committee Usha Gupta told about the Diwali importance "Diwali is a celebration that unites people from every corner, religion and caste. The simple smile and a kind, accommodating heart melt even the hardest of hearts. It is a time when people mingle about in joy and embrace one another. A celebration of prosperity, Diwali gives us the strength and the zeal to carry on with our work and goodwill for the rest of the year and thus, promising us success and prosperity. Thus, people give gifts to employees, family, and friends.

Most importantly, Diwali illuminates our inner self. Asha Singh (Assistant Professor) in her speech said, "Deepavali is a festival of lights and togetherness. It's the festival of unity without any caste or creed. As a lamp spreads light equally to everyone, so we must also love everyone equally. All religions teach us to be united, let us become light of love and prosperity. We need to celebrate Deepavali in such a way that it will instigate to spread peace and love in the society" He also said that Deepavali is the victory of good over evil. Hindus light rows of clay lamps to celebrate the story of King Rama's return to Ayodhya after he defeated Ravana. He quoted the Vedic hymn, "tamasoma jyotirgamaya" (From darkness unto Light) which represents our divine nature and reminds us of our primary responsibility to pursue the path of light and attain liberation.

Akshay Kumar applauded Saraswati Vidya Mandir Law College for the initiative taken in organizing this Inter-Faith Harmony programme in order to bring peace, love and harmony in the society.

Dr. Anupam Kumar addressing the audience said, "My Deepavali wishes to all the Hindu brethren, who have given this festival of lights feast which spread the light of peace, love and harmony. In the story of "The Given Light", the man shares his light with a dying man. When his own light goes off, he relights it from the person with whom he shared his own light. Deepavali is a festival which calls us to share the light we have. Jesus said "Let your light shine before men, that they may see your good works and give glory to God." When we recognize the other human being as our brother or sister then we can say "the night is over and it is day". In this sense we are called to celebrate Deepavali every day.

Shivangi Assistant Professor addressing the gathering said, "This is indeed a unique celebration initiated by Saraswati Vidya Mandir Law College, in promoting Inter-Faith harmony. Harmony is something which brings inner peace. We should all work in unity to maintain peace and harmony. The programme highlighting harmony during Diwali has brought us altogether irrespective of religions. During this Diwali season let us spread the message to love one another and maintain peace throughout. Deepavali is the day calls upon us to stand against hate, jealousy, communal disharmony etc."

Diwali is a great unifying force and it can soften even the hardest of hearts. But today's youth are very much distracted through digital era and Internet. This is your time, keep digital era to a limit, start reading and not browsing, Shake hands with your friends/relatives and not sending SMS wishes, added Usha Gupta Assistant Professor.

Principal, Dr. Binod Kumar Singh in his presidential address said, "Deepavali is one of the most popular festivals of India and of Hindus. The festival provides an opportunity to our senses to grasp their share of enjoyment and to our minds and hearts to experience the joys of life, belongingness, love, and universal brotherhood. Diwali symbolizes the triumph of light over darkness and of good over evil. We celebrate light because it represents life. Apart from the traditional methods of celebrating it, you can celebrate it in other ways too such as lighting the lamp of knowledge in the minds of others or bringing hope and happiness in their lives through selfless service. We should all live in harmony and peace, and never give a chance for hate and communal tensions. Let's celebrate Diwali with peace and love that should be our motto".

The programme compered by Usha Gupta Coordinator, welcomed the gathering and introduced the Guests, proposed the vote of thanks.
